

Kindergarten Summer Reading List

In an effort to encourage reading, and a love for reading, Stonehaven has established a required summer reading list for upcoming kindergarten students. Please read *at least ten* books from the required list. We hope you will read many more than ten over the summer! One way to raise a reader is to read great books to him/her when he/she is young.

Fill out the attached forms for the books you read. There is one form for required books, another for any other books you read. Return both forms to school with your child on the first day of kindergarten.

On the Friday of the first week of school, your child will have the opportunity to share about his/her favorite book read from the required list. I am already looking forward to this time!

We hope you have an exciting, enjoyable summer of reading.

Required Reading List

Any books by:

Margaret Wise Brown

Don Freeman

Jan Brett

Ezra Jack Keats

Robert McCloskey
